

Dear Sir or Madam:

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of Big Media forcing itself on its smaller broadcasters. As such, it also clearly illustrates the dangers of media consolidation.

I don't know if at this point there is anything which you can do to stop this forced airing, or at least to require Sinclair to also air a pro-Kerry program. However, in the interests of fair broadcasting and the public interest (rather than one-sided biased reporting - or perhaps NON-reporting), I would very much like you to do so if it's at all possible.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. Thank you.
